

Health Care Schedule of Charges

The Health Center

With its relaxed, “more like home” atmosphere, the Health Center offers a person-centered approach to short-term rehabilitation, traditional skilled nursing care, sub-acute services, and hospice care.

Herrnhut Community

The Herrnhut Community provides a safe, nurturing environment and specialized care to health care residents with memory impairment, dementia and Alzheimer’s disease. With dedicated caregivers trained in the provision of memory support, our goal is to keep residents better connected to the world around them.

Health Care Monthly Rate Range: \$11,640 – \$11,820

- Private Room: Additional \$840 – \$1,650 per month

For each resident, a personalized assessment periodically throughout their stay will determine the level of care necessary to ensure a safe and comfortable experience.
