Tribute Gifts

Honor, Remember, Celebrate

Moravian Manor Communities is a not-for-profit life plan community offering a person-centered approach to a full continuum of services on two campuses in historic Lititz, Lancaster County.

Established in 1975, Moravian Manor Communities' history is rooted in the early works of the Moravian Church in Pennsylvania to care for its aging members. Today, our faith-based mission continues to provide opportunities and services that enrich the journey of aging for residents of many faith traditions.

As a life plan community, Moravian Manor Communities offers a full continuum of accommodations, care, and services.

- **Residential living** homes, available on both the Founders Campus and Warwick Woodlands Campus, include apartments, cottages, townhomes, and carriage homes for those who want to lead a maintenance-free lifestyle in the home of their choice.
- **Assisted living** in the Baer Center provides individuals with various levels of supportive services so they may continue living independently.
- **Memory care** in the Herrnhut Community offers specialized care for residents with memory impairment, dementia, and Alzheimer's disease.
- **Skilled care and short-term rehabilitation** are available in our Health Center, renowned for its preeminent care for residents with recuperative or long-term needs.

About Tribute Gifts

A tribute gift to Moravian Manor Communities is a nice way to recognize someone who has touched your life in a meaningful way. Tribute gifts provide the opportunity to express your affection, appreciation, and respect for family, friends, and loved ones while supporting our ministry.

When you recognize someone by making a tribute gift to Moravian Manor Communities, you are making a difference in the lives of older people who, after careful stewardship, never anticipated their increased longevity or an unexpected event that takes greater resources and depletes their life savings to the extent that they could no longer afford their needed health care.

Our community provides full benevolent or subsidized care to a growing number of people who need our help. Your tribute gift will support our benevolent ministry and enhance the lives of residents who call Moravian Manor Communities home. Tribute gifts can be in the form of cash or something tangible underwritten by cash.

Honor Gifts

Honor gifts represent a heartfelt way to recognize an individual at any time, including life's milestones. They also are a perfect gift for "someone who has everything." Honor gifts are a unique and compassionate way to celebrate special occasions such as Mother's Day, Father's Day, birthdays, anniversaries, etc.

Memorial Gifts

Memorial gifts are a thoughtful way to recognize the memory of a special person and express your love, as well as affirm the values and priorities of their life. Frequently, families name Moravian Manor Communities as the recipient of memorial gifts in lieu of flowers upon the passing of a loved one.

Giving a Tribute Gift

We value your financial support and cherish the generosity of friends like you.

When you give a tribute gift, we notify the person being honored that a gift has been made without mention of the gift amount.

A designated family member will receive a list of all memorial donors who made a gift in memory of their loved one.

Tribute gifts are listed on our website at www.moravianmanorcommunities.org/tribute-gifts/

How to make a tribute gift
