

# Wish List

## AN OPPORTUNITY TO MEET TANGIBLE NEEDS AND BLESS OTHERS

The residents of MMC's skilled nursing neighborhoods enjoy daily activities in the arts, education, wellness...and lots of fun and games! You can support these residents directly and further enrich their lives by contributing towards their Wish List items.

Item	Cost	# Needed

Donate online at [moravianmanorcommunities.com/donate](https://moravianmanorcommunities.com/donate), indicating the wish list item in the Comments section, or make checks payable to Moravian Manor Communities, indicating the wish list item in the Memo section and whether you would like the donation to be made in honor or memory of a loved one.

Questions? Ideas for other gifts that have special meaning to you? Contact Bridget Steuer, Development Associate, at 717-625-6104 or [bridgets@moravianmanor.org](mailto:bridgets@moravianmanor.org).

## Fundraising for Herrnhut Personal Care for Tover Magic Table

The Lamplighters Association is planning a special fundraising campaign to secure funds for the purchase of a Tover Magic Table, costing \$10,000, for our Personal Care neighborhood. The mission of the Lamplighters Association is to fundraise on behalf of Moravian Manor Communities for the Benevolent Care Fund and Wish List.

The Magic Table is a device that projects vibrant, lifelike images onto a table or flat surface in the form of games that react to even the smallest of hand and arm movements. These interactive games, which can be played individually or in a larger group, provide a positive impact on the quality of life and quality of care for seniors living with dementia. The benefits of playing the interactive games include:

- **Providing cognitive stimulation** - everyone is challenged at their own level for an inclusive playing experience.
- **Encouraging physical activity** - the games increase players' self-confidence and motivates them to continue playing and moving.

- **Promoting social bonding** - the games are fun, promoting interaction and social contact between care professionals, fellow residents, and family members who come to visit.
- **Stimulating the senses** - the images and sounds of the games can have many positive benefits, including mood enhancement.

To make a donation in support of this endeavor for Herrnhut Personal Care residents, please indicate "Magic Table" on your check or credit card payment. Visit [Tover.care](http://Tover.care) for more information on this innovative tool, which was developed in the Netherlands and is used in more than 10,000 dementia care communities worldwide.
