## A wide-angle shot of a rustic bar interior. A long, curved wooden bar is the central feature, with several dark wooden bar stools lined up in front of it. The bar is set against a wall of rough-hewn stone. Above the bar, a large, ornate wooden chandelier hangs from the ceiling. The ceiling is made of exposed wooden beams, and the walls are also made of stone. In the background, there are tables and chairs, and a small sign on the wall. The lighting is warm and ambient, creating a cozy atmosphere.

The Lamplighters are currently raising funds for two pieces of medical equipment.

**The Broda Shower Chair** (\$3,000) is uniquely designed with a higher backrest and a tilt-in-space feature, providing enhanced support and positioning compared to standard shower chairs. This design is ideal for individuals who are unable to maintain an upright sitting posture due to physical limitations or poor trunk control. It significantly improves hygiene, comfort, and overall quality of life.

Our licensed nursing staff utilize a **bladder scanner** (\$10,000) to assess for urinary retention, a condition that can lead to urinary tract infections (UTIs). UTIs, if left untreated, can result in serious health complications, especially in seniors. That's why having the ability to perform bladder scans onsite is essential to ensuring prompt and effective care.

Thank you for your support in raising funds for these pieces of medical equipment for residents living in Moravian Manor Communities' skilled care area.

## Library CORNER

Summer is here! Grab a paperback from the library shelves to enjoy on your porch or vacation. Borrowed paperbacks do not have to be signed out, and if they are left at the beach house, that's okay too.

Plan to attend the presentations offered monthly by the Lititz Public Library Digital Services & Outreach Librarian. These presentations provide something for everyone. The full schedule is published below.

Thank you for your book donations! They are used in several ways. A donated book may end up on the library shelves or be set aside for the annual book sale. Outdated books might end up in the hands of avid readers outside of Moravian Manor. Donations are always appreciated and always put to good use!
